

In celebration of the 60th anniversary of Medina Healthcare System, the Medina Healthcare Fund has partnered with Dramatic Divas Productions to provide you with a fabulously fun murder mystery. The Board is excited to share with the community the Corrigan Air Center's Amazing Hanger with some of the best sunsets in Medina County. This unique venue will host a sampling of food and drinks from many of the best in Medina County and we will all enjoy the entertainment of Dramatic Diva Productions. We hear that some of the actors, this year, have come out of retirement to be a part of the evening.

All proceeds will benefit the Medina Healthcare Fund which solely supports the strategic vision of the Medina Healthcare System.

The Medina Healthcare Fund truly believes that healthcare is a part of everyone's life in one way or another. Certainly, the past few years have taught us so much about the importance of connection, human interaction, and most of all about health. When planning this year's event, the board was focused on making this a celebration to remember.

It only seems appropriate since the Medina Healthcare System has been a part of quality care close to home for 60 years.

As members of the Medina Healthcare Fund, we would like to personally ask you to consider becoming a sponsor for this event. So many benefits exist by sponsoring local activities. This event is important as it directly supports continued upgrades to OUR community's healthcare system so that the care you need, and desire is local. For a moment think about what Medina County would be like if a healthcare presence like currently exists was not here.

**Healthcare in a community is not only ESSENTIAL.
Healthcare in a community keeps the community VIABLE.**

Proceeds from our last event assisted in the ever-expanding primary care clinics within Medina County to include the purchase of new x-ray machines in Castroville and Devine and the specialty care expansion into Castroville. This year, the focus will be on Medina Regional Hospital and the upgrades needed within the Imaging Department. It is time to upgrade the digital mammography unit from 2-D to 3-D mammography. This upgrade to 3-D mammography is the standard of care for breast imaging and detects up to 40% more cancers than 2-D mammograms.

Let's bring this to Medina County, together.

The Medina Healthcare System strives each day to offer exemplary care, close to home, and are proud of the work that has been done over the past 60 years. We know that our success is directly related to the strong support of this amazing community and for that we thank you. We hope you will join us on April 25th for an evening that includes a fun murder mystery production, live music, great food, and socializing to benefit a wonderful cause. Please find included information related to sponsorship opportunities and ticket purchases.

For more information, please contact Amanda Rothe at (830) 426-7777 or Arothe@medinahospital.net.

**Thank you for your support,
Members of the Medina Healthcare Fund Board of Directors**

60th Anniversary Sponsorship

Thursday, April 25th, 2024, 6:00 p.m. to 9:00 p.m.

@ Corrigan's Air Center

806 Vandenberg Road Hondo, TX 78861

This year the Medina Healthcare Fund, a 501(c)(3) arm of the Medina Healthcare System, will be hosting a social that celebrates the culinary expertise, community talent, and fun-loving community that exists within our region and always gives back to a healthcare system that touches each of us. This event will bring together 250 to 350 people from our area to savor the creations of some of the region's best restaurants and caterers all while sampling domestic and imported wines & beers. But let's not forget the show. Medina County's Dramatic Divas will take the stage at 7:30 and engage the audience in a murder mystery that is sure to keep you laughing.

Let's Celebrate together 60 years of the Medina Healthcare System!
All proceeds from this event will benefit the Medina Healthcare Fund.
