

We are excited to announce our annual “Boots & Bottles” event IS BACK!

In celebration, we changed the theme and the venue to bring something new, fun, and entertaining to Medina County. We are excited to host an event that will provide you with time to enjoy live music, a variety of great food and drinks, and unwind at the lovely Vista Verde Ranch, north of Hondo. All proceeds will benefit the Medina Healthcare Fund which solely supports the strategic vision of the Medina Healthcare System.

The Medina Healthcare Fund truly believes that healthcare is a part of everyone’s life in one way or another. Certainly, the past few years have taught us so much about the importance of connection, human interaction, and most of all about health. When planning this year’s event the board was focused on making this a celebration and when the date was selected, a Fiesta was formed.

As members of the Medina Healthcare Fund, we would like to personally ask you to consider becoming a sponsor for this event. So many benefits exist by sponsoring local activities. Proceeds from our last event assisted in the ever-expanding primary care clinics within Medina County. This year, proceeds will support outpatient expansion of services to include new state of the art x-ray machines as well as the growth of specialty care across the county. We offer exemplary care, close to home, and are proud of the work we are doing. We know that our success is directly related to the strong support of this amazing community and for that we thank you.

We hope you will join us on May 5th for an evening of fun music, great food, and socializing to benefit a wonderful cause. Please find included information related to sponsorship opportunities and ticket purchases. For more information, please contact Grace McBride at (830) 426-7886 or gmcbride@medinahospital.net.

Sincerely,

Members of The Medina Healthcare Fund Board of Directors

This year the Medina Healthcare Fund, a 501(c)(3) arm of the Medina Healthcare System, will be hosting a social that celebrates the culinary expertise within our region and gives back to a healthcare system that touches each of us in the area. This event will bring together 250 to 350 people from our area to savor the creations of some of the region's best restaurants and caterers all while sampling domestic and imported wines & beers. Since it is Cinco De Mayo, let's make this year a little more fun by turning it into a **FIESTA!** All proceeds from this event will benefit the Medina Healthcare Fund.
